

MERCURY

EXCELLENCE AWARDS

2020 | 2021

DEADLINE: NOVEMBER 20, 2020

DEAR COLLEAGUE,

For over three decades, the MERCURY Awards have celebrated the creative professionals whose exceptional intelligence, hard work, creativity and tenacity have made a difference in this industry.

In 1987, the MERCURY Awards was founded with a singular mission: to promote excellence in public relations. The competition remains unique. It is the world's only independent awards organization. We accept no advertising, no membership fees, or outside sponsors. As such, you are guaranteed fairness and impartiality.

The annual award was named after the Roman messenger of the gods. The MERCURY Awards symbolizes the spirit of the message communicated. We believe in the human spark of creativity which serves to advance standards of excellence.

As we enter our 34th year, we pledge our best to give you honor and recognition!

Wishing you tremendous success!

Reni L. Witt
President and Founder

JUDGING PROCEDURES

JUDGING CRITERIA

Each entry is judged against itself, to the degree that the individual entry achieves its intended purpose. Judging is based not on budget, but on the values of creativity, effectiveness, performance and success.

JUDGING PROCESS

Each entry is evaluated three times by three different judging organizations during the preliminary judging rounds. The three sets of scores are then averaged into a single score for the individual entry. Awards are given to the top third scoring entries. Only one Gold, Silver, Bronze, and Honors Award will be given in each classification; however, if no entry scores high enough, no award will be given. The Gold Award Winners become candidates for the Grand Awards. In addition, one Best of Show Award will be presented to the top entry among all the classifications.
